

## MAGDALEINA

With a showy name like Magdaleina, it was clear from day one that the four men comprising this Montreal-based hard rock unit had a few common yet none the less ambitious goals in mind, according to co-founder and skinsman Danick Chagnon: "Getting a record deal & touring to play our asses off every night. releasing an album on a major label, being nominated for a Grammy, and touring the f\*\*\*\*\* world." Himself no veteran to rock music having been a session drummer for fifteen years..
